

HAZEL ROMAN

Hazel Roman has spent the last 20 years volunteering in the Republican arena. She has served on the boards of several Republican women's clubs and has been a delegate to TFRW, NFRW, precinct, county and state Republican conventions.

The Comal County Republican Party elected Roman as the Volunteer of the Year in 2005, and she has been an honoree at the TFRW Tribute to Women event. She currently serves as the TFRW vice president-membership.

Roman founded Bulverde Area Republican Women in 2003, and it became the fastest-growing Republican women's club in Texas, increasing to 201 members in one year.

Roman says, "The Republican Party's success comes down to the number of people who support and identify with the GOP, and I will strive to impact that growth. Record membership would be the greatest legacy TFRW leadership could leave to insure the future of our nation."
