Dear Republican Women,

Thank you for choosing Florida for your 35th Biennial Convention! It is a great privilege to welcome the National Federation of Republican Women to our wonderful state.

It is amazing to see the number of Republican women who have turned out in support of the Republican effort here in the State of Florida and across our nation. Women are more involved in politics than ever before, and we are grateful for your tireless work on behalf of our Republican candidates.

As we begin to ramp up our efforts for the 2010 Election Cycle, I would like to thank each of you for your continuous and unwavering support. The members and organizations within the National Federation of Republican Women are part of the strategic plan to build the party with energy and new ideas, a focus on minority outreach and technology advancement, and an unwavering commitment to our Party's long standing values and principles of less government, less taxes and more freedom. We cannot be successful without the dedication and support of our grassroots activists like you.

Thank you again for all you do for our cause. Welcome to the Sunshine State!

Warmest Regards,
