

NFRW GOALS

**Sue Lynch, Wisconsin
Nominee for NFRW President, 2010-2011**

It has been my honor and privilege to serve all of you for the past eight years on your NFRW Executive Committee.

I have put together a "Plan of Action" for 2010-2011 and will share the details with you at the convention in Orlando. My number one priority will be to increase our membership ... every member must be a recruiter for your club/state/national organization!

Membership is the key to our success, and membership promotion is the heart of our organization. Maintaining the status quo is not enough - we must grow to further the influence and the creditability of the NFRW and also continue to promote the philosophy and principles of the Republican Party across the United States.

Fundraising, Public Relations, Legislative Initiatives, Programs and Campaign Activities for the 2010 election cycle all will be addressed in Orlando through a slate activity.
