

NFRW LITERACY COMMITTEE

READERS BECOME LEADERS

Mamie Eisenhower Library Project Bookplate Distribution Policy

Clubs are asked to send a list of the books they are donating to one of the Literacy Committee members listed below. Include your club name, title and author of the books and the address to which the bookplates will be sent. Bookplates will be mailed in return.

This will enable the Literacy Committee to track the numbers and names of books being donated by Republican Women across the country. The Literacy Committee will provide the State Presidents with a list of participating clubs and the number of books they donate each year.
