The Honorable Dianne Feinstein
Ranking Member Committee on the Judiciary
United States Senate
331 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Graham, Senator Feinstein and Members of the Senate Judiciary Committee:

I am writing to offer my full support for the confirmation of Judge Amy Coney Barrett to the United States Supreme Court.

I believe a judiciary that rules based on the plain text of the Constitution and the law is essential to preserve the functioning of our governmental and social institutions. Judges who inject their own policy views into their decisions are not upholding the rule of law – they are creating new laws. Judges have no legitimate hand in such business.

Through Judge Barrett’s work as a law professor, scholar, and Seventh Circuit judge, she possesses the judicial temperament and philosophy necessary to act as a bulwark for our Constitution and institutions of government. Specifically, I trust Judge Barrett, if confirmed to the Supreme Court, will:

- Respect the Constitution
- Protect my freedoms
- Defend the separation of powers
- Interpret the law as written
- Not legislate from the bench

I therefore ask the members of the Senate Judiciary Committee to favorably report Judge Barrett’s nomination to the Senate Floor.

Sincerely,
