Founded in 1938, the National Federation of Republican Women is one of the largest women's political organizations in the country with thousands of active members. We empower women from all backgrounds in the political process and provide a forum for women to serve as leaders in the political, government, and civic arenas.

Although most of our members are active in local clubs across the nation, the NFRW also offers a membership category for Republican women who would like to become involved, but are short on time and cannot commit to club meetings and activities. If this describes your status, the National At-Large Membership is ideal for you.

National At-Large Members are connected to our network of like-minded Republican women from across the nation, and have the opportunity to develop relationships through national, regional and local events and through our online social network. They also have access to NFRW digital communications and resources, training programs, leadership development opportunities and more.

To join as a National At-Large Member, sign up online at www.nfrw.org/join or complete the following application and submit it, along with your annual dues payment of \$75, by mail:
