Founded in 1938, the NFRW has thousands of active members in local clubs across the nation, making it one of the largest women's political organizations in the country. The grassroots organization works to promote the principles and objectives of the Republican Party, elect Republican candidates, inform the public through political education and activity, and increase the effectiveness of women in the cause of good government.

The NFRW established the Student Membership in 2006 to reach out to a younger generation of Republican women. The Student Membership offers college women the opportunity to become part of the Federation at a "college friendly" rate. It is open to any woman attending an undergraduate or post-graduate college or university.

To join, complete the following application and attach proof of your enrollment (ie., photocopy of a current student ID or class schedule). Submit these documents, along with your annual dues payment of \$15, to the NFRW by mail. Or, sign up online at www.nfrw.org/join.
